

Sport Premium Overview

Primary School's Vision Statement:

“Putting Learning at the Heart of the Community”

Thurlstone Primary School is committed to the development of the child in a whole school community. We provide a stimulating, safe environment and a high quality education which encourages confidence, independence and friendship. Our creative curriculum aims to develop mature, caring, enterprising individuals who have a clear role in society. We nurture enjoyment of learning by celebrating achievement and enthusiasm.'

At Thurlstone Primary School we believe PE & Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better.

We have welcomed the Government's announcement in June 2013 to provide additional funding to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions, opportunities and clubs for all our young people.

Sport Premium Grant

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census in January 2018. All schools with 17 or more primary aged pupils will receive a lump sum of £16,000 plus a premium of £10 per pupil. Smaller schools will receive £500 per pupil.

Total no of primary aged pupils between the ages of 5-11(Jan 2018)	161
Total amount of Sport Premium Grant received	£17,610

What does the Sport Premium mean for my School?

'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013).

At Thurlstone Primary School we have split up the funding by the three key areas for consideration; Physical Education, Healthy Active Lifestyles and Competitive Sport. We have decided to spend the Sport Premium Grant on the following:

Physical Education: Raising standards of all our children in Physical education	
Objectives	Outcomes
<p>To provide all abilities the challenge and support they need by providing a specialist P.E teacher to teach and support across the school in lessons and afterschool clubs.</p> <p>To increase teaching staff's subject knowledge and confidence in PE.</p>	<p>Key member of staff benefit from specialist teaching support from a P.E expert.</p> <p>Children of all abilities improve their skills across a range of sports.</p> <p>Children taking part in competition are more successful.</p>
To further develop the leadership of Sport and P.E in school.	School to employ, for half a day a week, a P.E expert to work alongside P.E leader to plan the development of P.E and sporting provision. Sport Leader to audit current provision and resources.
The further develop the assessment of P.E in school.	Employed P.E expert to work with class teacher to implement and carry out assessments of P.E and share with school leaders.
The purchase of Real P.E training and associated scheme of work.	All staff have access to high quality scheme of work which provides support for less confident and experienced staff and consistent teaching across school.
Inset training for outdoor and adventurous activities and problems solving as identified as an area for development for our children.	Children will develop outdoor problem solving skills which in turn will develop their ability to work as an effective member of a problem solving team.

Associated personnel cost = £11,000

Equipment resulting from resource audit by P.E expert = £700

REAL P.E scheme and training = £1500

Inset training = £200

Healthy Active Lifestyles: Ensuring all our children have access to regular exercise	
Objectives	Outcomes
To increase activity levels at breaks and lunchtimes	<p>Lunch Time supervisors to set up and deliver new specific activities at lunch time playtime.</p> <p>Young Sports Leaders to plan activities.</p>
Daily Mile implemented and a Daily Mile tract installed on the playground	Children are able to make healthy food choices and have a good understanding of what constitutes a healthy lifestyle.

To provide a range of afterschool clubs for all age ranges from a range of providers including Team Activ and in house P.E expert.	As many children as possible have the opportunity to take part in after school clubs and develop their love of P.E, sport and physical activity.
To carry out a 'challenging gender stereotypes in sport' programme. Inviting, e.g. women footballers and male netballers to share skills with children. Inviting dads to play sport with daughters and mums with sons.	More girls will be inspired to try 'male sports' and visa versa.

Associated costs:

- £200 for playground equipment for Sports Leaders
- £500 for Daily Mile track
- After school clubs = £1000
- Cost of visiting sports role models potentially = £700.

Competitive School Sport: Increasing pupils' participation in extra- curricular sport	
Objectives	Outcomes
To increase the amount of competitive sport opportunities for pupils by subscribing to Team Activ competitions	Take part in Team Activ events and increase our teams' success at these events. More children take part in sporting events.
Pay for transport to and from Team Activ events	All children are able to participate.

Team Activ membership = £1300

Transport to events = £500
