If I break these school rules, the following will happen..... **THE GREEN PATHWAY**

<p>REMINDER</p> 	<p>I will be told which rule I have broken and I will be reminded that I can make better choices.</p>
<p>WARNING</p> 	<p>If I break the rule again, I will be told there will be a consequence. I will be told what the consequence will be. I will also be reminded that I can do better.</p>
<p>CONSEQUENCE</p> 	<p>I will be told that I have now been reminded twice and that because I have broken the rules again, there will now be a consequence. I will be told that after the consequence I will speak with the adult.</p>
<p>REPAIR</p>	<p>I will spend some time talking to the adult about what happened. This will help me to make better choices in the future.</p>

## **THE ORANGE PATHWAY**

**I have made the wrong choices again so.....**

**I will have a reminder, a consequence and then a chat with an adult who will again help me to make better choices.**

**This time the grown up will make a record of what happened. Mrs Gibbins and Miss Brown will be informed.**

## **THE RED PATHWAY**

**Now things are getting serious because I am continuing to make bad choices.**

**I will now have a consequence straight away and Mrs Gibbins will speak to me. She will also get in touch with my parents.**

**A special plan will be made which will help me to make better choices. Mrs Gibbins will keep in touch with my parents.**
