Well done to our amazing Y6 children who have worked their little socks off this week. They have attacked their SATs tests with determination and with an sense of calm which is just admirable.

We work really hard to ensure that our children don't feel pressure and stress on the run up their tests and we know we've succeeded when we see happy and relaxed children taking what is asked of them in their stride.

A huge thank you to Mr Peace who is the voice of calm and support for his children.

I am sure the children will have done their very best and whatever their results, we are endlessly proud of them.

The children had a fab time enjoying the traditional **CHOCOLATE PICNIC** this afternoon!

Very much well deserved!

As the weather starts to improve, and dare I say the sun starts to shine, please ensure your child has a water bottle in school which contains only water and is clearly labelled with your child's name. Many thanks!

Do any of you have any small plants you would be willing to donate so that we can fill some of the planters in our new play area? Ideally we would like plants that will survive the winter such a lavender, herbs, mint and any others you think might be appropriate. If you are willing to donate we will be eternally grateful. **MANY THANKS.**

WORDS OF WISDOM

If you see someone
without a smile, give
them one of yours.
