Summer Fayre

WELCOME BACK!

WHAT A BUSY WEEK!

Lots of fun has been had this week!

The Rockets and The Wise Owls have had a fab time at the Yorkshire Wildlife Park! They were so well behaved and had a great time. The KS2 children enjoyed the Art Day in school where they got to experience an art gallery and explore in more depth the art exhibited. The children in Y2 enjoyed 'This is Me and My Emotions' workshop from Compass Be.

Next week is another busy one, with our annual Picnic and Sports Day on Thursday and our exciting Sponsored Penalty Shootout on Friday!

EXCITING NEWS!

We are organising a Summer Fayre which will take place on Friday 7th July (weather permitting)! We are really busy with our plans but wondered if anyone would like to have a stall. If so, please contact the school and we can discuss further.

More Summer Fayre details coming soon!

It's our Sports Day picnic on the field and Sporting afternoon next week! The children are really excited!

Looking at the weather forecast for next week, it looks like we'll be facing a really nice sunny day. Please ensure your child has a water bottle, a hat and is covered in sun cream!

Friday's cheesy But Wise

WORDS OF WISDOM

Wellbeing, looking after each other and ourselves, building resilience and empathy are all at the heart of life at Thurlstone. It's always good to find out about hidden disabilities and difficulties such as the ones below. These are interesting little videos which you could watch with your children: they provide some excellent information about anxiety, dyslexia, autism and ADHD.
