

Thurlstone Primary School

Homework Policy - October 2023

At Thurlstone Primary School we aim to provide home learning which is purposeful and has a positive impact on a child's learning and progress. It is also our intention that the input required by parents is minimal because all the tasks set are intended to encourage independence.

Homework is set weekly, but the days on which it is set and expected to be returned to school will vary according to teacher's workload and timetables.

Home work for each year group is as follows:
