## ONE PAGE THIS WEEK

What a FABULOUS time we had on Thursday! The children and staff had an amazing time and laughed until our bellies hurt! As well as being a great whole school experience, we hope that children may be inspired to sing, dance, design costumes and stage sets, write scripts, play instruments - the list goes on! I have now decided that when I grow up I am going to be Billy Pearce!

Thank you also for the many messages we have received thanking us for taking the children and providing them with this exceptional experience. It's lovely to know we are appreciated.

I'm sure you'll agree that Dojo is a fantastic tool for keeping you up to date with all the goings on at school: for sharing dates, events, special moments and positive vibes. The messaging facility is a great way for staff and parents to relay quick messages and we love that the majority of you respect our teachers wellbeing and work life balance by avoiding messaging, and expecting replies in the evening and at weekends.

We need you to know that we are more than happy to continue to use the messaging facility for respectful and simple enquiries, but any complaints should be dealt with by emailing the school office, the headteacher or by phoning school to request a chat or meeting. Messages of this nature sent on Dojo will not be responded to.

Many thanks for your understanding and support. xx
