TWO PAGES THIS WEEK

Welcome Back!

It's been a lovely week back following half term. The children have settled back into their learning and are so well behaved! We notice the children being fabulous role models to others and at lunch time the dinner time supervisors are always on the look out for children who set a brilliant example to others - when they are spotted they are rewarded with some special smelly stickers!

As part of our ongoing efforts to make Thurlstone the happiest place ever, we now have Peer Wellbeing Champions in school!

A group of children from Y5 have volunteered for the role and have received some excellent training delivered by Compass Be (an organisation that work with schools to address pupil and staff wellbeing in schools). The children will work with Miss Brown to support wellbeing across school by planning assemblies and activities for their peers.

Y5 had an amazing time at Young Voices! They were so well behaved! What a fantastic experience for our children!

PHRASES EVERY BOY NEEDS TO HEAR GROWING UP...

- "Crying does not make you weak."
- "Expressing emotions like anger and sadness is important and healthy."
- "You can choose your passion, no matter what it is, do not feel the pressure to do something just because you're a boy."
- "Strength doesn't mean NOT feeling our feelings, actually true strength is expressing our feelings."
- "Listen to your inner voice over peer pressure."
- "You are allowed to have friends that are girls."
- "When you are facing a problem, instead of ignoring it, express it."
