

The Shuttle

25/10/24

WOW! THAT WAS A LONG HALF TERM!

We all hope you have a super half term break!

BEHIND THE SCENES

As always we've been working our socks off behind the scenes this half term.

Here's some of the things we've been up to!

- We have been researching and implementing a new Maths curriculum.
 - We have reviewed our marking and feedback approach.
 - We are working to design a new English curriculum which will be implemented soon.
 - Staff have attended a range of training events; including autism training, safeguarding training, writing training, Prevent training.
 - Leaders have met with governors and governors have visited the school to discuss their link roles.
 - Leaders have met with a number of agencies such as Compass Be
- These are just a few of the things we get up to during the school day, and after your children have gone home.

Some Spooky disco costumes!

We hope you enjoyed, and found your meeting with your child's class teacher helpful and informative. It was lovely to see you all in school and thank you for the great feedback given - especially regarding our excellent Y6 time keepers!

Thank you to our wonderful, hardworking P.T.A who have provided the children with fantastic, fun events this term! We are always humbled by those of you who give up time to plan and organise amazing fundraising events which benefit your children and the school. Thank you to those of you who supported their fundraising efforts as well! Money is tight for us here at school so every penny raised really does make a difference! Keep checking ClassList for new events and info!

Friday's cheesy yet
Wise Words Of Wisdom
