

Julia Donaldson: A Storytelling Star

Julia Donaldson is a famous author who writes stories that make kids laugh, imagine, and dream. She was born on September 16, 1948, in London, England. When she was a little girl, she loved making up songs and stories, and that love grew as she got older.

Before she became an author, Julia wrote songs for TV shows and radio programs. One of her songs, "A Squash and a Squeeze," became her very first book! Since then, she has written many more books, including *The Gruffalo*, *Room on the Broom*, and *Stick Man*. These books are full of rhymes, adventure, and amazing characters.

Julia works closely with illustrators like Axel Scheffler, who brings her stories to life with colourful pictures. Together, they've created books that children all around the world enjoy reading.

When Julia isn't writing, she loves acting, singing, and putting on plays. She often performs her stories on stage, turning them into exciting shows for kids to watch.

Today, Julia lives in England with her husband, Malcolm. She says the best part of her job is inspiring children to love books and storytelling. If you've ever read one of her books, you know just how magical her stories can be!
