

The Shuttle

10/01/25

Well that's much more like it! So glad the snow has now gone and we've all been able to get back to normal!

I think everyone at school would agree that the highlight of the last two weeks has been the presence of Mr Wall, our lunchtime sports club coach! Even though the weather has been a little grim, the children have absolutely loved getting up onto the field to do all sorts of sporty stuff! It's great to see the children going such fun sports activities under the watchful eye of Mr Wall!

Please don't be too cross with us if your child comes home looking a little bit muddy and bedraggled!

Thanks to the P.T.A for funding this outstanding lunchtime club provision!

Meeting with MP Marie Tidball last week was a great opportunity to discuss the pressure faced by professions with regards to the SEND system. We are able to share what we felt could be positive changes and felt listened to. There is a meeting on 23rd January where you can share your views with Marie.
