Please don't forget to sign up for the P.T.F.A MOVIE NIGHTS on Class List.

We're all really looking forward to **WORLD BOOK DAY** next week! Children can dress up as their favourite book character, or come in the PJs. We have decided to take part in the Children's Book Trail, which is part of Penistone Arts Week!

The focus of this is the work of **Brian Wildsmith**, a world renowned author and illustrator of many children's books and who was born in Penistone. Because of this, we will be spending some time on World Books Day, focusing on the art work and books of Brian Wildsmith - we are sure the children will love this!

More information regarding our involvement with the book trail, nearer the time!

READY STEADY READ...

is happening next week! Children already have their sponsor forms, so they can get reading and raising money for school!

MANY THANKS
