OUR NEXT
P.T.F.A
meeting is
Tuesday 13th
May at
3.30pm.

All welcome!
We will be discussing the summer
fayre (FamFest)

Just a friendly reminder about Dojo and its messaging feature. Please ensure that anything important, and anything that needs a proper discussion with teachers, is communicated with school via an email to the school office or a phone call. To support their work-life balance and wellbeing, teachers are encouraged to switch off from Dojo as soon as they get home, so may not respond to any messages received once they've left school.

Many thanks

Next week is SATs week for our fabulous Y6 children! They have worked so hard and are ready to show what they have learned in reading, spelling, punctuation, grammar and mathematics. They are all really keen to do their very best and I am sure their results will reflect all the hard work they have put into their learning in these areas. I'm sure you will join me in wishing them lots of luck and positive vibes!

What these tests don't assess is **all the other stuff!** The stuff what makes these children the fabulous young people they are: their kindness, resilience and determination; nor do SATs assess their talents and skills such as sport, music, art and drama. I am sure whatever their SATs results are, we can all agree that these children shine in so many other ways!

These
guys are
through
to the
area
finals!
Well
done
kids!

Please ensure your child does not play
on the large climbing frame before or
after school.
Many thanks
