WEEK FIVE COMPLETE! ✓

This week has seen two lovely new children join the Thurlstone family - welcome to you and your family! Flu vaccinations have taken place, so hopefully we'll all stay healthy through the flu season. The Peer Wellbeing Champions have met and are busy planning their first assembly for the whole school!

And today it's HELLO YELLOW DAY!

PARENTS EVENING MEETINGS

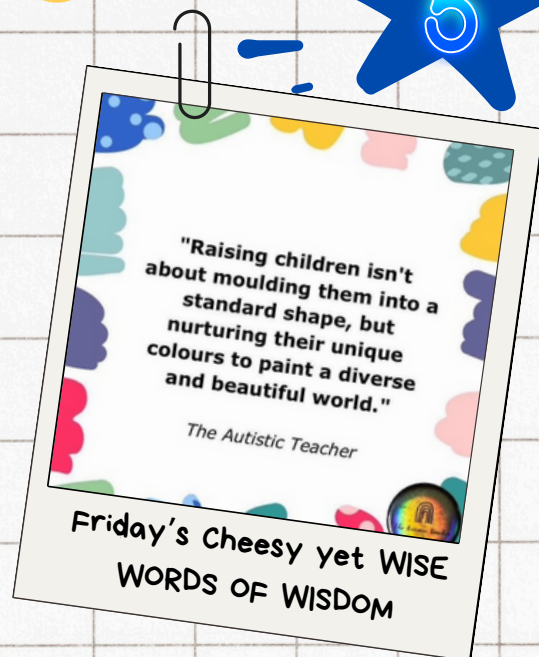

We're really looking forward to welcoming you into school for the first Parent's Evening meetings of the year. At this first meeting, the emphasis will be on how well your child has settled into life in their new class. Detailed attainment information will be shared with you later in the year when more assessments have taken place in school. As always, a selection of our wonderful Y6 children will be time-keeping for us. I don't know what we'd do without them! The Wise Donkey book shop will be with us on one of the evenings - so please bring along some pennies if you fancy buying books!
