WEEK FOUR COMPLETE! ✓

Our Wellbeing Peer Champions are very happy this week because they have a whole £150 to spend! They have chosen some lanyards which will ensure everyone knows who they are if help is needed! The remaining pennies are to be spent on painting our Friendship bench. The group are really keen to make sure the bench is being used properly and that there is always someone there to support anyone who could use a friend.

Never admire quietly.
If I admire something about someone, I tell them. We humans are so fragile. It's important we give people their flowers while they are still here.
Never admire quietly.

WHAT IS HELLO YELLOW DAY?

On World Mental Health Day we want to join with thousands of schools to raise money to show young people that they are not alone with their mental health. We'd love for all our children to wear something yellow, but we're also happy for children to wear whatever makes them feel good!

If you'd like to make a donation, please visit the Hello Yellow Website
