## WEEK THREE COMPLETE!

Week has seen the launch of ROCKSTEADY MUSIC SCHOOL! We didn't expect it to be so popular and now have a waiting list for lessons!

We have also settle well into our new school meals set up. The children and staff are really enjoying what's on offer!

Our wonderful new play equipment is almost ready for use!  
The children are really going to love it!

Now that myHappyMind is well embedded, we are launching our HAPPINESS HEROES! These will be a group of Y5 children who will be assigned to a class and their job will be simple! To SPREAD HAPPINESS! Any child in Y5 who is keen to take on this role, will complete a simple application form and then take part in a simple and fun 'interview'. We will let you know who they are as soon as possible and then they can start spreading their happiness!

Talking of myHappyMind; if you have borrowed one of the parent handbooks, please could you return it as soon as possible? Many thanks!
