WEEK 4 COMPLETE!

Phew! It's been a hot week in school! It's been an eventful week too with visits from the media and Year 4 playing their brass instruments at the Metrodome.

*Next week is our Summer Barbeque! The PTFA are working so hard to plan a fabulous event for you and your children. Please make sure you get your tickets by visiting **CLASSLIST**. Please remember that your children are your responsibility during the event and must be supervised by you at all times.*

"It's about rediscovering the little joys of life - the long baths, the page turning novels, the quiet Saturday mornings, the clean sheets, the stars, the city lights, the ocean - and realizing that they were the big things all along."
